OPERATOR RESPONSIBILITIES

Motor vehicle operators are responsible for the safe operation of their vehicles and must comply with all applicable traffic laws. They must also exercise due care to avoid endangering themselves and others. They are encouraged to be attentive and prepared for any unexpected situations that may arise on National Forest System roads and trails.

ROADS, TRAILS, AND AREAS

Roads, trails, and areas open to motor vehicle use are designated for the general public to use at their own risk. Operators are responsible for their own safety and should drive at appropriate speeds and with due care for the conditions and traffic on the road or trail. National Forest System lands carry a greater responsibility than other public lands in that responsibility to protect national forest resources.

ROAD AND TRAIL SYMBOLS
