

# Northwest Forest Plan (NWFP) Land Allocations, 2002

**LAND ALLOCATIONS**  
 Land allocations displayed on this map depict the location and extent of major mapped features of the NWFP and reflect the land allocation hierarchy on page A-5 of the NWFP Record of Decision. Riparian Reserves overlap other land allocations and are not displayed separately on this map.

- Congressionally Reserved Area**
- Late-Successional Reserve (LSR)**  
LSRs associated with occupied marbled murrelet sites and known owl activity centers are not shown.
- Adaptive Management Reserve**  
This category depicts LSRs within Adaptive Management Areas.
- Adaptive Management Area**
- Managed Late Successional Area**
- Administratively Withdrawn Area**  
Major categories of Administratively Withdrawn Areas are displayed; other categories are not shown.
- Other**  
This category depicts a mix of Matrix, Riparian Reserves, and other unmapped land allocations.
- No NWFP Designation**

**BOUNDARIES**

- Key Watershed**
- Northwest Forest Plan**
- County**
