

**Table 1 --** *Juniperus* hosts of *Arceuthobium oxycedri*.

Preferred name	Name cited	Region and country of report	Reference <sup>a</sup>
<b>1. <i>J. communis</i></b> (Common juniper)		<b>Western Europe</b>	
	<i>J. communis</i>	Portugal	Lopez Saez, per. comm.
	<i>J. communis</i>	Spain	19, 20, 58
	<i>J. communis</i>	France	31
	<i>J. communis</i>	Italy	18
		<b>Balkans</b>	
	<i>J. communis</i>	Slovenia and Croatia (Istria)	31
	<i>J. communis</i>	Bulgaria	15, 31
<b>2. <i>J. convallium</i></b>		<b>Indian subcontinent and western China</b>	
	<i>J. convallium</i>	China (Tibet)	GOET
<b>3. <i>J. drupacea</i></b> (Syrian juniper)		<b>Balkans</b>	
	<i>J. drupacea</i>	Greece	13
		<b>Russia and Former Soviet Republics</b>	
	<i>J. drupacea</i>	Ukraine (Crimea)	44
		<b>Near East</b>	
	<i>J. drupacea</i>	Turkey	49
	<i>Arceuthos drupacea</i>	Lebanon	52
<b>4. <i>J. excelsa</i></b> (Grecian juniper)		<b>Russia and Former Soviet Republics</b>	
	<i>J. excelsa</i>	Ukraine (Crimea)	35, 36, 44
		<b>Near East</b>	
	<i>J. excelsa</i>	Turkey	31
<b>5. <i>J. polycarpos</i></b>		<b>Russia and Former Soviet Republics</b>	
	<i>J. polycarpos</i>	Azerbaijan	27
	<i>J. seravschanica</i>	Ukraine (Crimea)	35, 36, 44
	<i>J. seravschanica</i>	Uzbekistan	17
	<i>J. seravschanica</i>	Tajikistan	54
		<b>Indian subcontinent and western China</b>	
	<i>J. excelsa</i>	Pakistan	21, 22
	<i>J. macropoda</i>	Pakistan	75
	<i>J. polycarpos</i>	Pakistan	11, 31
	<i>J. excelsa</i>	India	24
	<i>J. macropoda</i>	India	14, 31
	<i>J. polycarpos</i>	India	12, 31
<b>6. <i>J. foetidissima</i></b> (Stinking juniper)		<b>Russia and Former Soviet Republics</b>	
	<i>J. foetidissima</i>	Ukraine (Crimea)	44
		<b>Near East</b>	
	<i>J. foetidissima</i>	Turkey	31

Preferred name	Name cited	Region and country of report	Reference <sup>a</sup>
<b>7</b> <i>J. oblonga</i>		<b>Russia and Former Soviet Republics</b>	
	<i>J. oblonga</i>	Azerbaijan	26
<b>8</b> <i>J. oxycedrus</i> (Prickly juniper)		<b>Northern Africa</b>	
	<i>J. oxycedrus</i>	Morocco	31, 47
	<i>J. oxycedrus</i>	Algeria	47
		<b>Western Europe</b>	
	<i>J. oxycedrus</i>	Spain	14, 19, 20, 31, 58
	<i>J. oxycedrus</i>	France	27, 31
	<i>J. rufescens</i>	France	60
	<i>J. oxycedrus</i>	Italy	18
		<b>Balkans</b>	
	<i>J. oxycedrus</i>	Croatia (Istria)	31
	<i>J. oxycedrus</i>	Bulgaria	15
	<i>J. rufescens</i>	Greece	31
		<b>Russia and Former Soviet Republics</b>	
	<i>J. oxycedrus</i>	Ukraine (Crimea)	35, 36, 44
	<i>J. oxycedrus</i>	Ukraine (Crimea)	35, 36, 44
	<i>J. rufescens</i>	Ukraine (Crimea)	31
	<i>J. marschallianus</i>	Ukraine (Crimea)	31
		<b>Near East</b>	
	<i>J. oxycedrus</i>	Turkey	31, 49
	<i>J. oxycedrus</i>	Syria	52
<i>J. oxycedrus</i>	Lebanon	52	
<i>J. oxycedrus</i>	Iraq	31, 69	
<b>8a.</b> <i>J. oxycedrus</i> ssp. <i>macrocarpa</i>	<i>J. macrocarpa</i>	Turkey	M
<b>9.</b> <i>J. phoenicea</i> (Phoenician juniper)		<b>Northern Africa</b>	
	<i>J. phoenicea</i>	Morocco	47
		<b>Western Europe</b>	
	<i>J. phoenicea</i>	Spain	19, 20
	<i>J. phoenicea</i>	France	28, 31
<b>10.</b> <i>J. pseudosabina</i> (Xinjiang juniper)		<b>Russia and Former Soviet Republics</b>	
	<i>J. turkestanica</i>	Tajikistan	54
<b>11.</b> <i>J. sabina</i> (Savin or Savin juniper)		<b>Western Europe</b>	
	<i>J. sabina</i>	Spain (rare)	20
		<b>Russia and Former Soviet Republics</b>	
	<i>J. sabina</i>	Ukraine (Crimea) <sup>b</sup>	36, 44
		<b>Near East</b>	
<i>J. sabina</i>	Iran	55	
<b>12.</b> <i>J. semiglobosa</i>		<b>Russia and Former Soviet Republics</b>	

Preferred name	Name cited	Region and country of report	Reference <sup>a</sup>
(Russian juniper)	<i>J. semiglobosa</i>	Ukraine (Crimea) <sup>b</sup>	44
	<i>J. semiglobosa</i>	Uzbekistan	17
	<i>J. semiglobosa</i>	Tajikistan	54
<b>13. <i>J. squamata</i></b>		<b>Indian subcontinent and western China</b>	
	<i>J. squamata</i>	China (Tibet)	GOET
<b>14. <i>J. tibetica</i></b> (Tibet juniper)		<b>Indian subcontinent and western China</b>	
	<i>Sabina tibetica</i>	China (Tibet)	42, GOET
<b>15. <i>J. thurifera</i></b> (Spanish juniper)		<b>Western Europe</b>	
	<i>J. thurifera</i>	Spain (rare)	20
		<b>Russia and Former Soviet Republics</b>	
<b>16. <i>J. virginiana</i></b> (Eastern red-cedar)		<b>Russia and Former Soviet Republics</b>	
	<i>J. virginiana</i>	Ukraine (Crimea) <sup>b</sup>	36
<b>17. <i>J. wallichiana</i></b> (Wallich juniper)		<b>Indian subcontinent and western China</b>	
	<i>Sabina wallichiana</i>	China (Tibet)	41
