

Service First Field Conference Call

Wednesday, September 11, 2013 – 1:00 p.m. – 2:00 p.m. EST

Topics for Discussion

What's New in Service First?

- **Congressional Report:** Requested in 2011 by Congressional Conference on Appropriations; Submitted to Congress on August 26, 2013; Report includes uses of SF, success stories, and recommendations for SF.
- **SF Max.gov:** Serves as a hub for cross-agency collaborations and an internal website for SF (features filing sharing and storage between agencies, discussion boards, and the ability to create/restrict pages)
 - **On Max.gov: SF Library:** Examples of SF MOU's, MOA's, IA's, and Letters of Delegated Authority. *We encourage more examples to share with the SF Community.*
 - **On Max.gov: SF Success Tracker:** The intention of this feedback module is to gather information about the successes with Service First and acknowledge the individual contributions of public service officials and organizations across the nation by sharing those successes.

Service First Leadership Team Meeting

- Scheduled for **September 27, 2013, 2:00 p.m. – 4:00 p.m. EST**

What's Coming to Service First?

- **SF Incentive Program:** The purpose of this program is to demonstrate a strong commitment by the leadership of these agencies to expanding the use of SF. Each partner will contribute funds and actively participate in jointly managing and awarding pooled funds.
- **SF Piggyback Language:** The inclusion of contract language that will allow SF agencies to use the same contract.
- **Tackling Collocation:** How can we make this an easier process and remove unnecessary barriers? What are the barriers, or inconsistencies within the departments? If you are interested in working to help resolve these issues, please contact the SF Coordinator, Chris Moyer.
