Date: January 13, 2010

Subject: Emerald Ash Borer (Agrilus Planipennis)

Enclosed is the USDA Forest Service report responding to the Congressional Directive in House Report 111-180 requesting a report on the emerald ash borer program and the overall scientific, monitoring, technology development and urban and rural response to clean-up and restore damaged areas.

Sincerely,

KATHLEEN ATKINSON  
Director of Strategic Planning, Budget, and Accountability
