Mailing Address:

Are you in ROSS and available to deploy nationally?

Provide Dispatch information:

**Short Narrative Questions** (Please limit answers to three pages total.)

1. Are you involved or have you assisted in the creation of a mitigation program?
2. What do you believe is the foundation to creating a successful mitigation program?
3. What innovative ways have you used to spur mitigation in your area?
4. Describe a time when you worked collaboratively with a community to perform effective on the ground mitigation and/or planning.
5. Provide any media, program reports, or other supplementary information related to this example if available?
6. How do your skills specifically relate to CMAT efforts?
7. You have been asked to help a community increase their mitigation. What are some of the first items you would do or work on?

**Please provide the following with you application**

- ❖ List your available dates. *Note: all trainees must participate in at least 2 assignments per season.*
- ❖ Provide 3 references who can address your WUI mitigation experience
- ❖ A letter of support from your supervisor to participate in two CMAT assignments per season.
- ❖ A resume
