

## Natural Resources and Environment Farm Bill Listening Session

**What:** Under Secretary Hubbard will host a listening session to hear public views regarding implementation of Farm Bill provisions affecting the USDA Forest Service. The listening session will provide an opportunity for members of the public and interested stakeholders to provide input on the implementation of key Farm Bill provisions regarding national forests and grasslands.

This is one of several Farm Bill listening sessions being organized across the U.S. Department of Agriculture to give the public and stakeholders an opportunity to engage on the execution of provisions within the 2018 Farm Bill.
