

Tribal Information Webinar

Directive

Public Lands Corps & Resource Assistants Program

Forest Service staff will present a webinar to:

- Provide an overview about the directive
- Discuss how to submit comments
- Discuss how to engage in Tribal consultation

Webinar Details:

Forest Service Manual 1820 provides guidance about U.S. Forest Service Public Lands Corps and Resource Assistants Program partnerships which support natural resources and research work, workforce development and training. These programs provide paid work opportunities on public lands for America's youth, young adults, veterans and others who meet eligibility requirements. Upon working a set number of hours and meeting education benchmarks, participants who work on Public Lands Corps projects and Resource Assistants may acquire non-competitive or direct hire eligibility for Forest Service jobs.

Date & Time: Monday, October 5, 2020, 3:00 – 4:00pm EDT
