In order to help meet your expectations from the workshop, please provide the following information:

1) What kind of climbing activities do you anticipate (eg. cone collection, nest or red tree vole survey, etc.)

2) Expected size and types of trees to climb (eg. old growth conifers, hardwoods, snags, etc.)

3) List any current climbing certification held (eg. instructor, climber), when issued, and by whom:

4) Briefly list any climbing experience you have:

5a) Do you need chainsaw endorsement (EC-2 or EC-3)?
5b) Are you currently a certified climber?
5c) Are you currently at least a B sawyer?

Note: Chainsaw endorsement requires current climber and B-sawyer certification. See Tree Climbing Guide.

(INSTRUCTOR candidates, fill out back of form)
INSTRUCTOR CANDIDATES FILL OUT THE FOLLOWING:

**NOTE: Instructor candidates must have current Tree Climber certification [see section 51.04k in FSH 2409.17 Silvicultural Practices Handbook, Chapter 50, WO Amendment, available at: http://www.fs.fed.us/treeclimbing/index.shtml]. Instructor certification will only be possible in those methods and equipment areas in which you are currently certified as a climber.**

In the "Use" column, check those areas that you are currently certified to use.

If you are re-certifying as an instructor, in the "Currently Certified to Instruct" column, check those areas that pertain to you.

If you would like certification to instruct (see note above), in the "Would Like to Instruct" column check those areas that pertain to you.
