INSTRUCTIONS
1) Cut out the animal pattern along the outer dark line.
2) Color the animal.
3) Cut two pieces of velcro about this big □ and stick them to the head and body of the animal.
4) Tape a popsicle stick or ruler to the back of the animal picture to use as a handle.
5) Cut out and tape the Pollination Clues to the back of the animal picture.

**POLLINATION CLUES (BAT)**
I am attracted to white or pale green flowers that open at night.

The flowers I am attracted to are high off the ground.

I have a strong sense of smell.
INSTRUCTIONS
1) Cut out the flower pattern along the outer dark line.
2) Color the flower:
   • Color the sepals green.
   • Leave the petals white.
   • Color the center of the flower yellow.
3) Make the pistil:
   • Cut out the part labeled “pistil” and color it green or yellow.
   • Fold it along the dotted line.
   • Tape the folded side onto the pistil in the drawing.
   • Cut a square of velcro this size.
   • Stick it to the top of the pistil.
4) Make the stamens:
   • Cut one pipe cleaner in four equal pieces.
   • Fold over the tip on each piece.
   • Cut two squares of velcro this size.
   • Stick them to the folded tips on two of the pipe cleaners.
   • Stick the pipe cleaners through the flower around the pistil.
   • Stick a yellow pom pom or cotton ball to the velcro squares.
   • Tape the ends of the pipe cleaners to the back of the flower.
5) Tape a popsicle stick or ruler to the back of the flower stem to use as a handle.
6) Cut out and tape the Pollination Clues to the back of the flower picture.

POLLINATION CLUES
(BAT FLOWER)
I bloom at night.
I have a strong, sweet, musky scent.
