

Payette National Forest Scabland Sagebrush Wildflower Viewing Area

Directions:

The Scabland Sagebrush site is located in Adams County, Idaho. The site can be accessed from the town of Council, Idaho. The main road, Highway 95, dissects Council. From the highway in the center of Council, follow the Council-Cuprum Road (002) for approximately 11 miles up Hornet Creek to Mill Creek. The viewing spot is off of Mill Creek on road 004, just north and west of the cut-off to Peck Mountain. The best place to view the flowers is about 1/8 mile up road 004 from the intersection with the Council-Cuprum road.
