

Wasatch-Cache National Forest Whitney Wildflower Viewing Area

Directions:
 From Evanston, Wyoming drive south on Wyoming Highway 150 approximately 35 miles, or from Kamas, Utah drive east on Utah Highway 150 approximately 45 miles to the Whitney Reservoir turnoff (Forest Service Road 032, on west side of Utah Highway 150). From here, it is about 9 miles to Whitney Reservoir, but there is wildflower viewing along Mill City Creek and past the Whitney Reservoir turnoff, along Meadow Creek Road up towards Moffitt Peak.
